TRANSITION TO THE BPP DIGITAL SUBMISSION PORTAL FOR ALL OFFICIAL CORRESPONDENCE AND REQUESTS

Recall the Bureau's circular referenced BPP/DG/2025/250 of 4th August, 2025 on Transition to Electronic Submission Procedures at the Bureau of Public Procurement (BPP).

2. As part of the Bureau's unwavering commitment to digital transformation and the Paperless Governance Initiative, we are pleased to announce a significant upgrade to our operational workflows. Having successfully transitioned from physical filings to a dedicated email service for document submissions as indicated in the above cited Circular, the Bureau is now advancing to a more robust and integrated service.
3. In view of the above, the Bureau of Public Procurement (BPP) is pleased to announce the launch of the **BPP Digital Submission Portal** – a web-based platform that enables Ministries, Departments, and Agencies (MDAs) to submit their procurement-related details to BPP. This automated platform is designed to streamline the submission process, enhance transparency, and ensure the accelerated tracking of all procurement-related documents and petitions.
4. Consequently, with effect from March 1, 2026, all Ministries, Departments, and Agencies (MDAs) shall be required to use the portal to submit requests for: "No Objection" Certificates, Approvals for "No Objection" for Special Procurements, Clarifications and status updates on submissions.
5. The portal which will become operational on **March 1, 2026** shall be hosted on the official BPP website via <https://bpp.gov.ng/mda-uploads>. Please note that physical submissions or manual hand-deliveries will no longer be prioritized and will eventually be rejected following the full transition to the digital portal.
6. Accordingly, Accounting Officers are requested to ensure that their respective Procurement Departments and ICT Units are briefed on this important development which is critical to the processing of all procurement activities from 1st March, 2026. MDAs are therefore requested to contact the Bureau via info@bpp.gov.ng for further information on onboarding process to get integrated into the portal.
7. Finally, full compliance by all MDAs is required to ensure seamless transition for the overall attainment and efficiency to avoid delayed the implementation of the 2026 fiscal year procurement processes.

Dr. Adebowale A. Adedokun, FCIPS, FCILT, FSM
