

PROCUREMENT EVOLUTION

-Honouring the Past,
Powering the Future

This Program is Managed by

NATIONAL ANTHEM

Nigeria we hail thee,
Our own dear native land,
Though tribe and tongue may differ,
In brotherhood we stand,
Nigerians all, and proud to serve
Our sovereign Motherland.

Our flag shall be a symbol
That truth and justice reign,
In peace or battle honour'd,
And this we count as again,
To hand on to our children
A banner without stain.

O God of all creation,
Grant this our one request,
Help us to build a nation
Where no man is oppressed,
And so with peace and plenty
Nigeria may be blessed

ABOUT THE PROGRAM

The Procurement Evolution

Theme: Honoring the Past, Powering the Future

Welcome to the **BPP 2026 Showcase**. Today, we invite you to explore a journey of institutional integrity—a journey that now serves as a pillar for the "Renewed Hope" agenda of His Excellency, President Ahmed Bola Tinubu.

For over two decades, the Bureau of Public Procurement (BPP) has been the sentinel of Nigeria's fiscal discipline. From our roots in the **Budget Monitoring and Price Intelligence Unit (BMPIU)** to the empowerment granted by the **Public Procurement Act 2007**, we have consistently sought to ensure that public funds are utilized not for private gain, but for the collective advancement of the Nigerian people.

Today, we take you through the journey that had brought us to this point.

Why we are here today:

- **Supporting the President's Vision:** His Excellency, President Tinubu, has placed reform, accountability, and the optimization of public resources at the heart of the "Renewed Hope" agenda. This event showcases how the BPP is operationalising that vision—using technology to close loopholes, eliminate wastage, and drive the economic growth necessary to build a stronger nation.
- **Honoring the Legacy of Reform:** We celebrate the pioneers of "Due Process" whose foresight established the foundations upon which this administration is now scaling modern e-government solutions.
- **Unveiling our citizen-driven initiatives:** We are unveiling our new digital roadmaps and the Community-Based Procurement Mobile App. Under the leadership of Dr.

Adebowale Adedokun, the Bureau is fully aligning with the President's push for an inclusive, tech-driven government that puts power directly into the hands of citizens and empowers local contractors.

As you explore our "Living Museum" and engage with today's sessions, we hope you see that our mission is more than a regulatory function—it is a commitment to the President's promise of a more transparent, efficient, and prosperous Nigeria for all.

ALIGNMENT WITH RENEWED HOPE

FISCAL DISCIPLINE :

Maximizing value for every Naira spent.

DIGITAL INCLUSION :

Giving MSMEs a fair, tech-enabled seat at the table.

NATIONAL TRUST :

Removing barriers to ensure public projects reach the people.
